4. Workshops that will teach you how to build your business foundation...

Need help creating your squeeze page and building your list? Then go through The List Building Kickstart Workshop at <https://learningim.com/list-building-kickstart-workshop-w>

Need helping creating your follow up emails and doing email marketing within your business? Then go through The Email Marketing Kickstart Workshop at <https://learningim.com/email-marketing-kickstart-workshop>

Note: My recommendation for the Welcome Email Sequences Learning Bundle is also a good companion to this training.

Need help creating a blog for your business? Then go through The Blog Marketing Kickstart Workshop at <https://learningim.com/blog-marketing-kickstart-workshop>

Need help with traffic? I have a ton of options for you. 😊 I gave you the one above, but I also have these workshops to help you with getting traffic. Remember you just need ONE solid traffic strategy to get started.
